

LONDON CUACO GOLFING SOCIETY

The London CUACO Golfing Society goes back to just after the First World War and has continued unbroken ever since.

With the sale of the CUACO Club Sports Ground in Beckenham in 2000, all the Sections associated with the Club were scattered far and wide, or chose to close.

To my knowledge, the CUACO Golfing Society is the only Section to survive but, with no contacts with Aviva, we are unable to recruit apart from word of mouth, or through our Fellowships.

Just to mention that the Society is for members and pensioners of the Aviva Group, plus their wives, partners and families.

Despite dwindling numbers, we have two meetings a year – one in the Spring and the other in the Autumn. With current members spread over the Home Counties, the Spring Meeting is usually held in Kent and the Autumn Meeting usually held in Essex.

Our members come from far and wide, one regularly plays in both Meetings and travels from Wales. With age, driving and the odd hiccup, our membership is dwindling, ***so any new members are very welcome.***
